

## Canada's most trusted international physician recruitment firm

### ABOUT US

CanAm Physician Recruiting, founded in 1997, is Canada's most trusted international physician recruiting agency. CanAm has over two decades of industry knowledge and an unwavering dedication to customer service, allowing it to satisfy the demands of thousands of companies and doctors worldwide. Our client base and physician candidates continue to grow dramatically as a result of our proven track record of finding the right fit for both sides of the recruiting process.

We are dedicated to excellence and to fostering the recruitment of the best physicians to satisfy the needs of employers and doctors worldwide. CanAm is the most trusted domestic and international physician recruiting agency in Canada because of our dedication to customer service, experience in the physician recruitment process, and worldwide reach.

"I can recommend CanAm Physician Recruiting for any company looking to get not only qualified talent but the right fit for their organization. Michelle took the time to understand the needs of our organization and helped us narrow the ratio of interviews to hires. **Suresh Madan, MBA, CFA, FACHE | President and CEO | MyHealth Centre – A WELL Health Company**

### SERVICES

CanAm provides a holistic solution to physician recruiting. As a pioneer in the health care business, we offer innovative and cost-effective solutions adapted to the demands of various health care organizations. CanAm offers worldwide sourcing, physician recruitment, physician placement, and health care management assistance. CanAm's physician recruitment services assist organizations in identifying and recruiting the finest and most qualified physicians and assist in developing and maintaining effective physician partnerships.

CanAm's team consists of principals and associates who are widely recognized as proven experts in health care leadership and management. The team includes former CEOs, Medical Directors, senior recruiters, strategic marketing executives and others who have worked in senior health care management roles across Canada and internationally.

We have the resources, expertise, and desire to collaboratively work towards a quality health system that is accessible and sustainable for all. Reach out to us today!
